

BUILDING CODE UPDATES & PLAN SUBMITTAL CHANGES

Applications submitted on **January 1, 2010** and thereafter to the Cedar Park Building Inspections Department will be reviewed and inspected under the following codes:

- ❖ 2008 National Electric Code with local amendments
- ❖ 2006 International Fire Code with local amendments
- ❖ 2009 International Codes:
 - International Building Code
 - International Residential Building Code
 - International Plumbing, Mechanical and Gas Codes
- ❖ 2009 International Energy Conservation Code

ATTENTION BUILDERS EFFECTIVE JANUARY 1, 2010:

- **ALL** previously approved master plans will need to be revised and resubmitted in order to be reviewed for newly adopted code compliance.
- On **ALL** applications, please specify which FHA drainage plan “A, B, or C” has been approved for each lot. If “Other”, please provide a written explanation. Revised application has been attached.
